Decided: March 13, 2025 Precedential Opinion

Please make the following change:

The word "originally" should be changed to "original" in the third line of the last paragraph on page 15 so that the sentence reads:

Merck's reliance on language that provides that reissued claims that are "substantially identical" to the claims in an original patent "shall... have effect continuously from the date of the original patent" is similarly misplaced.
